

Nous sommes très désolé à ce sujet.

Quelque chose semble avoir mal passé.

Are you suffering from tuberculosis?
Did you read Baudelaire in the past two months?
Do you consider the following sentence:
"my work tends to question [...] " as an acceptable way of addressing people?
Is the weight of your incommensurable wisdom bringing you down?
Do you like white walls?
Do you often hang things on white walls?
How much do they pay you for doing so?
Are you multidisciplinary enough to shine?
